MEMORANDUM

Jennifer Vacchio
Millimeter Magazine

Hi, Jennifer:

Thanks so much for the Sears spot in Millimeter, and your help making me sound intelligent, articulate and knowledgeable, in spite of a proclivity for drawing a complete blank when queried about anything more significant than the time of day.

I appreciate your kind attention and will keep you advised of further advancements in West Coast animation.

Again, thanks,

A handwritten signature in cursive script, appearing to read "Robert".
